

Dear Interviewer/ Producer:

If your #1 New Year's resolution is how to find love and keep it or if you're looking to re-energize a relationship you already have, bestselling author and world renowned astrologer Jan Spiller is here to help with her new book, **COSMIC LOVE: Secrets of the Astrology of Intimacy Revealed**. The book, to be published as a Bantam Trade Paperback Original on January 2, 2008, shows how *anyone* can use the power of the stars to bring about positive change and create fulfilling relationships with the people they love—romantic interests, friends, and family members alike.

Through her very popular website at www.janspiller.com (which receives more than 250,000 hits daily), her popular books which have been translated into 13 different languages, and her new radio show, Spiller has shared insightful, thorough portraits of one's personality, hidden talents, and true life purpose using the successful methods she's cultivated for over 30 years. Now in **COSMIC LOVE**, she reveals how her practical approach to astrology can create happy, thriving relationships and prevent the emotional traps that so often get in our way.

In an interview, Spiller can discuss her secrets behind **COSMIC LOVE** and show your audience how to:

- ♥ **Use a proven astrological technique** to renew relationships at the start of the New Year.
- ♥ **Create win-win situations** in matters of the heart—Spiller says this is the celestial key in 2008 for success in love.
- ♥ **Apply her yearly predications** to an individuals specific relationship and sign.
- ♥ **Attract the love of their life** by evoking the unique gifts each partner brings to the other.
- ♥ **Avoid the relationship pitfalls** that are common to each sign.
- ♥ **Access the power** to make positive changes happen—in themselves and others.

With **COSMIC LOVE**, Jan Spiller offers a breakthrough book that uses the science of the heavens to give down-to-earth relationship advice to help make your—and your audience's—relationship resolutions come true. Spiller is also available and would be happy to provide a personal reading of your or your host's chart so you can experience first-hand her astrological insights and their practical applications. I look forward to discussing all the possibilities soon.

Thank you and all best,
